

IPCA
MISSION STATEMENT

- * To provide a forum for statewide communication of precast producers.
- * To provide business support, industry relationships and the exchange of information, while taking a leadership role in the promotion of the precast industry.

PURPOSE OF IPCA

1. To associate the manufacturers of precast concrete products for the purpose of mutual advantage and cooperation.
2. To maintain a high degree of quality in the products of association members.
3. To maintain a high degree of ethics among members.
4. To share mutual problems, which arise from sales or promotions.
5. To share mutual business practices.

BENEFITS OF IPCA
MEMBERSHIP

1. Networking opportunities with local, state and national precast producers.
2. Exchange of ideas and insights regarding precast production.
3. An organization to address and respond to local, state and federal government proposals that will affect the precast industry.
4. An organization that can provide representation to state and local committees making decisions that will affect the precast industry.
5. Networking opportunities with manufacturers of equipment and supplies utilized by the precast industry.
6. Annual conference with educational and business sessions including exhibits.
7. Annual Spring Tour to precast producers and associate facilities.
8. Interaction with IDOT, IDPH, EPA and other pertinent state officials. (IPCA member's input is very important.)
9. Newsletter reflecting IPCA activities and current industry news.
10. IPCA website with a link to your business.

DEFINITION OF PRODUCER /
ASSOCIATE MEMBERS
